YOUR NEW ROLE AT THE TRUST

JOB TITLE:	Delivery Support Coordinator	PAY BAND:
FUNCTION:	Delivery Support	Supporting Delivering Specialist/Managerial Technical Lead/Function Head Senior Leadership Team
THE TEAM:	The Delivery Support team is responsible for UK wide service delivery partnerships and projects, customer service, management of our centres and data quality. They work closely with programme delivery and development colleagues, to ensure the successful delivery of high-quality services for young people.	

WHERE YOU WILL FIT

CEO	Director of Delivery	Senior Head of National Service Delivery	Head of Delivery Support	Centre Manager	Delivery Support Coordinator
-----	----------------------	--	--------------------------	----------------	-------------------------------------

HOW DOES THIS ROLE IMPACT YOUNG PEOPLE?

You indirectly support young people by ensuring the Centre is a safe, secure, and welcoming environment for young people, supporters, and staff through the management of room bookings, facilities compliance and control of office equipment and supplies.

WHAT WILL YOU DO?

-  Responsible for the data input process and supporting Programme Delivery with data quality.
-  Provide a range of coordination activities, including front of house support in welcoming young people, staff, and supporters, ensuring compliance with health & safety processes and procedures.
-  Support with the maintenance of all Trust office space, including internal and external stakeholder's utilisation of space, and equipment such as desks, workstations, kitchen facilities, IT systems, photocopiers, and storage.
-  Support on site H&S procedures including but not limited to fire, water, and asbestos.
-  Support security maintenance including CCTV, door entry systems and alarm systems.
-  Manage the room booking process and support the Delivery Support Manager with catering for meetings and events including partnership events and VIP visits.
-  Manage the efficient ordering and control of Centre supplies, stocks and materials ensuring value for money and within budget.
-  Responsible for the logistics of archiving, ensuring the correct process is followed by staff within GDPR requirements.
-  Responsible for Centre purchase orders relating to facilities, maintenance, and compliance.
-  Respond to enquiries and escalate and redirect issues as required to Centre Managers, to ensure the provision of accurate information.

THE SKILLS YOU'LL BRING

All of the roles at The Trust are key to our success and there are certain skills we need to be successful. And while we will shortlist the most qualified people for the role, we ask everyone for a supporting statement. If you think you could do the role, but don't have all the desirable experience, we would still love to see an application from you.

WE REALLY NEED YOU TO HAVE THESE

Skills & Knowledge	Why do we need this?
Good understanding of bespoke data capture databases, tracking and processing data in line with service level agreements.	Capturing accurate and timely data is critical for funding contracts, understanding the impact on young people and the future development of Operations.
Excellent planning and organisational skills and the ability to manage multiple priorities.	Working in a busy centre means that priorities can change very quickly. You will need to change focus quickly whilst working to tight deadlines.
Excellent interpersonal, written, and verbal communication skills.	Being able to communicate effectively with internal and external stakeholders is a key part of this role.
Understanding of financial processes and procedures.	Each Centre has a budget specifically relating to property and office supplies. You need to understand budgets and the purchase order process.
Good understanding of the challenges young people in the Trust's target groups face.	You will often be the first person our young people come in to contact with, so it is essential that they feel welcomed in a non-judgemental atmosphere. You will assist our teams in delivering a first-class experience.
Experience	Why do we need this?
Experience coordinating premises maintenance, office facilities, services, and suppliers.	Completing daily, weekly, and monthly compliance checks are key to the building being a safe environment for all users.
Experience of Health & Safety practices and processes.	Health & Safety is essential for all and should be a priority at all times.

WE WOULD LOVE IT IF YOU COULD DO THIS

Experience	Why do we need this?
Experience of security systems, including CCTV and door entry systems.	You will be responsible for security passes and systems which make the building secure.
IOSH qualification (or equivalent experience)	You will support with health and safety incidents and mitigate risks to the centre and to people.
First aid training	You may be the first point of call for incidents in the centre and responding to actions and triaging where possible.
Fire Marshal training	You may be the first point of call for incidents and for guiding people out of a building safely when it is on fire and for helping to minimise the risk of a fire occurring in the first place.
Skills & Knowledge	Why do we need this?
Ability to support Centre staff with the logistics of archiving documentation.	There is a requirement for storage and retention of data to adhere to GDPR guidelines.
